Answer: No, once your card is setup you cannot modify the FD amount. Please ensure FD amount is in accordance with the limit required on your card at the time of application.

# Pixel FD Backed Credit Card FAQs

**Q. Can an existing HDFC Bank credit card holder apply for FD Backed Pixel Credit card?**

Answer: No, currently only customers who do not hold a HDFC Bank credit card can apply.

**Q. Who is a Nominee for my Fixed Deposit account?**

Answer: A nominee is a person or entity who is designated to act on behalf of the account holder in case of the account holder's death.

**Q. What happens if my credit card is lost or stolen with a linked fixed deposit?**

Answer: You can block the card by following the listed steps:

1. Go to Settings on Pixel Homepage
2. Tap on the card that you lost
3. Tap on "Permanent Block" to report a lost/stolen or a damaged card

Once you block the card, you will be given a new virtual card instantly and will be given an option to order a new physical card. The newly issued card will get automatically linked to the existing fixed deposit.

**Q. My amount was debited from the bank account, but I cannot see the amount in my fixed deposit account. What should I do?**

Answer: If FD amount gets deducted, please be assured that your amount is completely secure with us, and FD will be booked within 7 days from the date the amount is debited. You will be notified via PayZapp/SMS/Email once the card is approved and issued.

Note: For any reason, if the FD is not booked within 7 working days, then the collected FD amount will be refunded back to the source account.

**Q. Can I change the nominee later?**

Answer: Once an FD is started against the credit card, nominee details cannot be modified/edited.

**Q. Can I withdraw the amount of the FD?**

Answer: No, the FD is locked (lien marked) if your HDFC Bank PIXEL credit card is active. You can only withdraw or close the FD after you clear all dues and close the card.

**Q. For Existing to HDFC Bank customers, if customer holds an existing FD, can that be used as FD for issuance of Pixel Credit Card?**

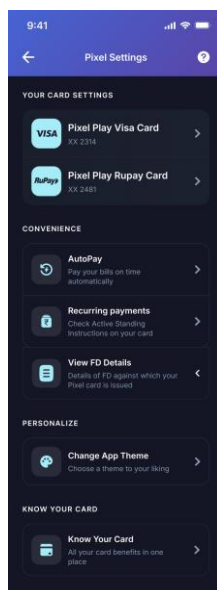

Answer: No, the customer will require to open a new FD account to apply for FD backed Pixel Credit Card.

**Q. How does a customer view the FD details?**

Answer: Customer can login to HDFC bank application (Net Banking and Mobile Banking) to view FD details. Or Customer can login to PayZapp, and can Go to PIXEL Home >> Settings

# Pixel FD Backed Credit Card FAQs

**Q. What happens when amount is transferred towards funding the FD, but PIXEL Credit card FD journey gets interrupted or does not proceed**

Answer: Transferred amount is safe and customer can continue the journey from the recent completed step. And post completion of the application journey, If FD booking has failed, then the amount will be reversed to the source funding account within 7 working days.

**Q. Will the FD amount be reversed if the HDFC bank PIXEL Credit Card application gets rejected due to any Bank policy reasons, post booking of the FD?**

Answer: If your HDFC bank PIXEL Credit Card application gets rejected post FD booking due to any Bank policy reasons then the lien marked against your FD will be removed within 4 days.
